## Quiz 1

### ***Read the instructions carefully:***

1. The link provided is a one time link, a second attempt to open the link will deny any access to the quiz and you will be marked absent , so open the link only 5 minutes before the start of the quiz, that is, 10:55 AM, and then wait for the prompt to start the quiz.
2. You are allotted a time of 30 minutes for submitting your responses. Quiz starts at sharp 11:00 AM, and make sure to submit before the timer runs out. Any attempt of submission after the timer runs out will be denied.
3. Any delay in joining the quiz will leave you with lesser time to finish the quiz, as the timer will anyhow stop at 11:30 AM.
4. Clicking on the finish button at the top of the form "will not" submit the paper, submit the paper only by clicking on the submit button at the end of the last question.
5. Make sure to login with your Gmail id into the browser before the start of the exam, if not using the google classroom app.
6. Attempt all questions on a page to move to the next page.
7. A total of 30 MCQs are given, with 5 questions on each page.
