**Sub: Formation of 'On Campus' Group**

Dear Sir,

It gives me great pleasure to inform you that NIT Srinagar are now an 'On Campus' Group of the Institution of Engineering and Technology (IET).

Dr. Chilaka Ranga, Assistant Professor, Department of Electrical Engineering, is the faculty coordinator for the IET from the institution.

Under normal circumstances, the Local Network visits the 'On Campus' Group and there is a formal introduction and inauguration. However, in these times of the pandemic, that will not be possible. But we will arrange a virtual meeting with all IET members of NIT Srinagar. The 'On Campus' certificate has been sent to the newly formed group online. A copy of the same is enclosed herewith.

IET Delhi Local Network will take this association further in the best possible manner. We look forward for your wholehearted support.

Yours Sincerely,

(MEHTAB SINGH)  
CHAIRMAN

Institution of Engineering and Technology  
Delhi Local Network

DA: As above.
